**CADENCE:** <new york - review by bob  
rusch>...this group displays an ebb  
and flow and general forward  
improvisational competence which is  
excellent. october 1979

**WIRE:**<london - review by brian morton>  
...it seems right that one of the most  
promising and unselfconscious east –  
west fusions should come from the  
heartland of the european classical  
tradition.january 1986
